# Senior Representatives

WE PRESENT BILL KELLER

Bill's dependability and intelligence were exemplified by the outstanding job he did as 1971 general homecoming chairman and student body vice president. His leadership capabilities and sportsmanship attitudes were further shown by his participation in varsity football, varsity baseball, Boys' State delegate, Bicycle Club, National Honor Society and Lettermen's Club.

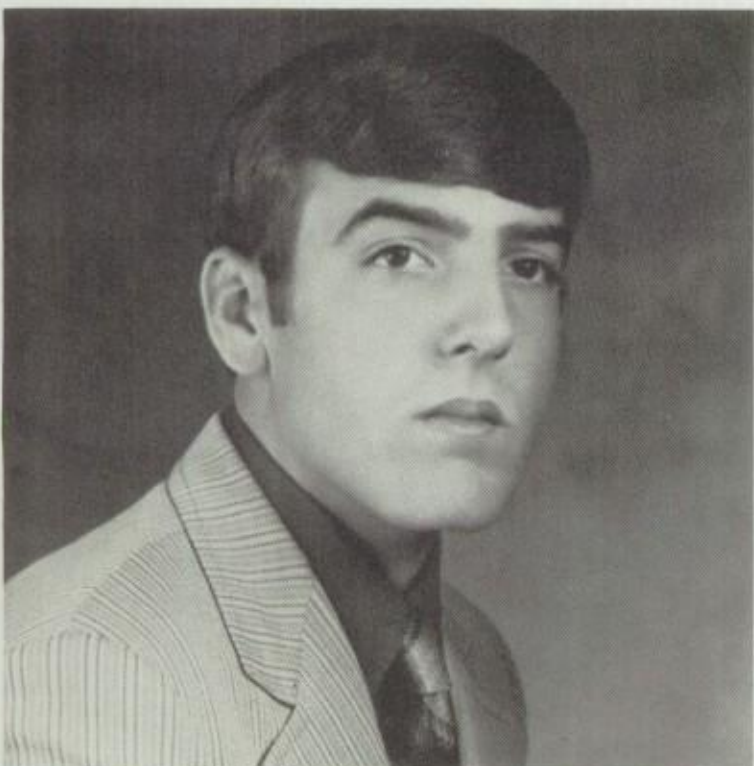

WE PRESENT ANNETTE CASE

Annette brought a special spunk and enthusiasm to the many and varied activities in which she participated at Lewiston High School. Her sense of humor and dedication to her responsibilities were present in the excellent job she did as student body secretary and "Prowling Bengal" columnist in the "Bengal's Purr." Her other activities included Loyalty Squad, Girls' State delegate, French Club, National Honor Society, L-Cube, Flags and recipient of the Spirit of Junior Miss Award.

WE PRESENT HAL FORGE

Hal's easy smile and ambition made him a reliable and well liked member of the 1972 senior class. His skill as a two-year varsity basketball player also contributed to his success at Lewiston High School. Lettermen's Club and his position as third baseman on the LHS varsity baseball team in both his junior and senior years also kept him active and involved.

WE PRESENT CRYSTAL COLLINS

A twinkling smile and constant readiness to share her talents with others made Crystal an invaluable personality at Lewiston High School. Serving as the Purple & Gold League scrapbook chairman, art editor of the 1972 "Bengal" and a cartoonist for the "Bengal's Purr" kept her busy, as well as membership in Art Honor Society, Loyalty Squad, vice president of Biology Club, homecoming committee and L-Cube. An understanding temperament made Crystal a favorite among her classmates, whether in the concession stand where she worked or in the halls where she so vividly supported the athletic teams with her artwork.

# The Class of 1972

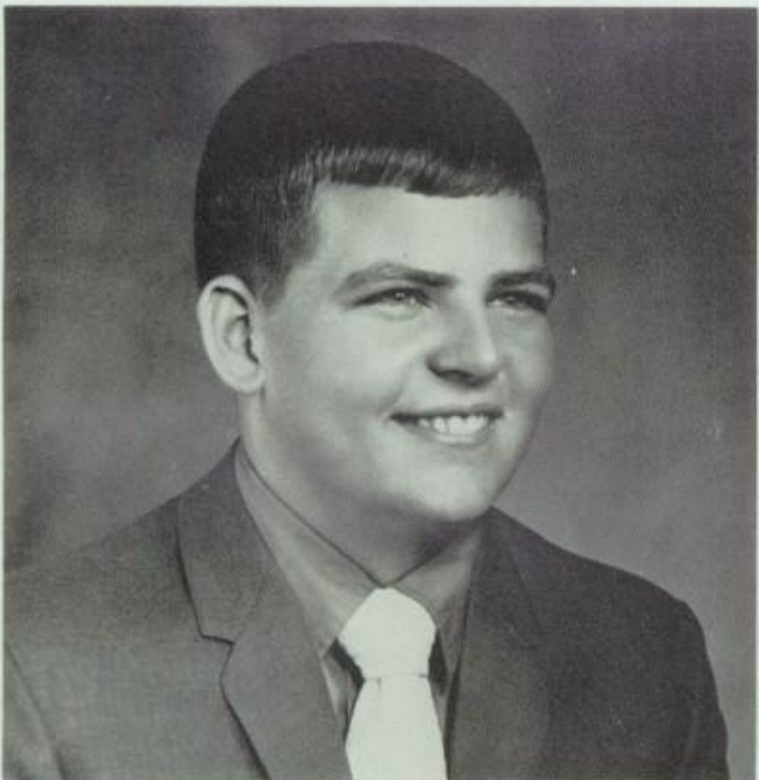

WE PRESENT DOUG FISHER

Doug's ability and sportsmanship on the playing field were surpassed only by the sincere and friendly attitudes he shared with all throughout his high school days. Football, baseball and track were high on his list of activities which also included president of Lettermen's Club. Doug, co-captain of the varsity football team, was also chosen as 1972 Lineman of the Year.

WE PRESENT BABZANNE PARK

Babzanne's friendly personality and willingness to work led her into many activities at Lewiston High School, and in all she performed outstandingly. She worked on several dance committees, was a member of L-Cube and Loyalty Squad and still found time to be a leader. Babz was co-editor of "The Bengal's Purr", co-captain of Radio Forensic KOZE team and served as president of Purple & Gold League. Her other activities included declamation, debate, Youth Legislature, National Honor Society, Girls' State delegate, yearbook staff and Senate Youth semi-finalist. Being chosen a senior princess at the Sweetheart Dance highlighted her year.

WE PRESENT REX FAIRFIELD

If good humor is the route to success Rex is well on his way, as evidenced by his selection as Most Likely to Succeed by the 1972 senior class. His enthusiasm for involvement shone through in his participation as a Boys' State delegate, junior class secretary, National Honor Society, Youth Legislature and concessions worker. His interest in student government was highlighted by being chosen a semi-finalist in the state Senate Youth program.

WE PRESENT MARTHA WILLIAMS

The sincerity and polish Martha showed in her activities at Lewiston High School earned her the admiration and respect of all her classmates. The 1972 Junior Miss, Martha also participated with vigor as a varsity cheerleader, president of German Club, badminton player, powderpuff football, member of National Honor Society, Girls' State delegate, declamation, concert and marching band, Senate Youth contestant and captain of the girls' basketball team. Martha climaxed her year by being chosen homecoming princess and Most Likely To Succeed.

J.V. cheerleaders: Left to right, Nancy Dammarell, Liz Wright, Cindy Eldridge, and Debbie Reed.

Does the crowd notice the new routines the cheerleaders tried to perfect? How often do we think about the time put into an assembly? How much energy does it take? Who sees the hours of practice since June? Does anyone? Maybe someone does, maybe no one does - one thing is sure, these people work; they work hard. And anytime you do as much as they have done, the personal satisfaction - of a job well done - overshadows everything else.

A new addition to the pep staff: wrestling cheerleaders. Kathy Kimmons, Casey Van Tassell.

I would like to take this opportunity to thank the 1971-72 Bengal Staff for their patience and support in producing this very special annual. Without their hardwork this annual may never have been a reality.

I would like to express my special thanks to Crystal Collins for her beautiful and exceptional artwork, Steve MacKelvie for his excellent photography, and Babz Park for her help in producing our yearbook.

Also my thanks and appreciation to Mr. James P. Jennings for his encouragement, understanding, and special memories as our advisor.

The Bengal Staff would also like to thank: Rader Studio, Engstrom Studio, Imel Studio, Mr. Virgil Wicks, the area businessmen, and all others for their co-operation and help in producing the 1971-72 Bengal.
